HARDEE CENTER FOR THE ARTS | NORTH FLORIDA COMMUNITY COLLEGE  
325 NW Turner Davis Drive | Madison, FL 32340

“This is a wonderful experience for our children and they look forward to this every year,” said Leslie McLeod, A.S.K. Leader. “It is a great way for them to express themselves, especially when many of them are unable to do so verbally. We are so thankful for all that Lisa Thompson and North Florida Community College do for A.S.K. 4-H Club. This experience benefits our children in two ways. It allows them to have this opportunity to express themselves and raise money so that they can go to a summer camp that is structured for their needs. This is all achieved while bringing awareness to our community.”

Proceeds will benefit autism awareness and help fund camps, field trips and activities throughout the year for A.S.K. participants.

If you would like to support this wonderful cause, the following items can be donated: 11X14 canvases, paint brushes, non-toxic washable paints
