Hello,

Thank you for agreeing to serve on the AFC Region III Bylaws Review Committee. It looks as though the bylaws have not been reviewed since 2017 so it time. Please review the attached Region III Bylaws for clarity and accuracy in format and content. I also attached bylaws from the other regions for you to see style, format and content. Based our review of the bylaws we will see if minor or no changes are needed or if we want to send a revision to the membership for discussion of major changes.

During the week of May 4th we can meet via Zoom. Please let me know a few days and times that work for you in order to schedule our meeting.

Again, thank you for assisting with this project. I look forward to working with each of you on this committee and on other Region III projects in the coming year.

REGION II PARTICIPATES IN OPERATION GRATITUDE

Forty-two letters of gratitude written by AFC Region II members and their families were recently sent to law enforcement officers, firefighters, emergency medical services workers and health care providers across the nation. Participating in the Spring Conference service project, Region II volunteered virtually and supported Operation Gratitude, whose mission is "to forge strong bonds between Americans and their Military and First Responder heroes through volunteer service projects, acts of gratitude, and meaningful engagements in communities nationwide."

As the "Letters of Gratitude" writers expressed gratitude to our nation's heroes, some also shared hopeful messages, well wishes and positive thoughts, as well as information about themselves and their families, hobbies, work, school, pets, travel, interests and such. Those who couldn't find the words to write were invited to draw or paint a picture instead.

Kate Adornetto, AFC service project chair at St. Johns River State College, said, "Receiving heartfelt 'Letters of Gratitude' during this time was a great way to connect our team with a global effort. Needless to say, the virtual project was a success!"

In a letter of appreciation sent to AFC Region II, Operation Gratitude Chief Executive Officer Lieutenant Colonel Kevin Schmiegel said, "Thank you for your generous donation of 42 letters and your dedication to our mission. With the help of grateful Americans like you, we have delivered over 2.9 million of our signature care packages to deployed troops, veterans, wounded heroes and their caregivers, military families, recruits, graduates and first responders since 2003."

AFC REGION III HAPPENINGS

Region III hosted another entertaining trivia night on August 5, 2020. AFC members from several regions joined us for a fun night remembering Sitcoms from the 80's to 2000's. Members tested their memories on comedies such as: Seinfeld, Friends, The Office, Raymond and Fresh Prince. Sitcom superstars and gift card winners were: Dawn, Eileen and Charity. Thanks to all who joined Region III for lots of laughter and good memories of the 80's - 2000's.

Each year Region III provides CCP scholarship opportunities for its' members.

This year we had four outstanding nominations and recipients receive a CCP Scholarship.

1. Chalah Harris, Seminole State College of Florida
 2. Amy Krewson, Eastern Florida State College
 3. Peggy Mentor, Daytona State College
 4. Cathy Bartling, Seminole State College of Florida
- Congratulations to four exceptional region members.

Attention: Joyce Smith
500 St. Johns Avenue
Palmdale, FL 33077

Dear Joyce,

Thank you for your generous donation of 42 letters and your dedication to our mission. With the help of grateful Americans like you, we have delivered over 2.9 million of our signature Care Packages to deployed troops, veterans, wounded heroes and their caregivers, military families, recruits, graduates and first responders since 2003.

A Care Package brings joy to a service member stationed far from home and employer's veterans, wounded hero or caregiver to feel appreciated - many for the first time. Our Operation Gratitude Care Packages bring comfort to the children of deployed troops at a very stressful time in their young lives. When we hand deliver Care Packages to new officers and recruit graduates, they know that as they begin their career at service to our great nation, they are supported by the best. We thank you for your generous donation of Care Packages that focus on the best that our community values them in an often troubled job.

Your leaders not only help to send Care Packages to brighten someone's day - by contributing to operations on the front lines - they also help to bring our nation together through our engineering communities, and it all starts with you, our generous and thoughtful contributions and volunteers.

To demonstrate your impact, I want to share one of my favorite emails with you - it reminds me of what it was like to receive Care Package during long deployments away from my own home base.

To the Volunteer at Operation Gratitude:

I would express to you what your care packages do for our soldiers. The letters received today brought joy to a volunteer family member who never had a chance to be in the US military. I am excited and grateful for your help. I am so glad to have you as a volunteer. I hope I can help you in any way I can. Thank you for your support, and I will ensure that we pay it forward. God Bless, Lt. Vick, Army Reserve, Afghanistan.

Thank you again for your thoughtfulness and wonderful patriotic spirit. Every single donation we receive further our mission, and the recipients of your generosity will remember your kindness forever. As a 20-year Marine Veteran and the CEO of this amazing organization, I will always be appreciative of your support and encouragement for Operation Gratitude. You are truly making a difference!

With Warm Regards and Semper Paratus,

Karen M. Schmiegel

Operation Gratitude has been a wonderful gift to me since my father passed away in 2007. I just love the fact that you have taken the time to express your gratitude to me and my family. I am so grateful for your support and I will ensure that we pay it forward. God Bless, Lt. Vick, Army Reserve, Afghanistan.
