# "Four Fun Facts About IV"

## December 2019 "Current" Submission

**Regions**

**REGION IV**  
As we're gearing up for 2020 and closing 2019's door, it was fun getting to know each other. We're excited about what is to come in the new year. Here are some fun facts about our Region IV AFC team:

**Four Fun Facts About IV**

**Francine Fuentes - SPC Chapter President**  
She's a Sicilian.  
She was a Ballroom dance instructor.  
She is in the process of PUBLISHING her FIRST BOOK!  
She has traveled to Israel.

**Melanie Wallace - SCF Chapter President**  
She's a passionate foodie and feels like she channels Nigella Lawson while in the kitchen.  
She's an Herbal/natural medicine junkie.  
She is afraid of frogs no matter if they are on paper, tv screen or in person.  
She is the "therapist" among her friends and wonders if she chose the wrong career path.

**Isabella Perry - PHSC Chapter President**  
She plays guitar and loves rock and roll.  
She is an avid "barder" and saw 368 different species in Florida in 2018, placing 13th in the state on a list!

**She's a vegan and has been since 2012.**  
She teaches photography as an adjunct at PHSC.

**Misty Adams - Florida SouthWestern State College Chapter President**  
She got married at Disney World.  
Her dad used to race powerboats and I've driven a boat at 150+mph.  
She loves all things British.  
Her favorite TV shows are Parks & Recreation and the Office.

**Keith Lowenkamp - South Florida State College Chapter President**  
He's a rock collector and has a collection from around the world. Even more, he has a meteorite in his collection.  
He relieves stress by skydiving!  
He is a scuba diver. During this time of exploration he finds peace.  
He makes it a point to make people smile because a real smile is priceless!

## March 2020 "Current" Submission

**Regions**

**REGION IV NEWS**

Dedication, Vision, SPARK! Region IV's newest commitment is SPARK! Matthew White, AFC President, has charged us to stay focused on our goals. We're following that lead, no doubt. Yes, Region IV has vision, too. Our vision has been proven by our robust 2020 Operational Plan. What's new is that Region IV is fresh with SPARK! 2020 is our year in fact! We're ready, y'all! "Operation SPARK" is upon us! And, it's continuing all throughout the year.

**Tanyako Rhoney | St. Petersburg College, Chapter President**

- I come from a Risk Management and Fire Department background and have driven a fire engine (once). Lol.
- I've had a different major (Art, Business, Graphic Design and now Marketing!) Lol.
- One of my goals is to be a contributor for Essence Magazine
- I used to fit the "T" in my house (the ones with tubes) and took Electronics in high school.

**Mildred Diaz Santiago | Pasco-Hernando State College, Porter Campus Representative**

- I am a youth leader at my church. I call them "my kids" I love all of them as if they would be my own children and they call me "second mom".
- I have been in Brazil four times, and have visited seven of its major cities. It is a beautiful country!
- I speak three languages Spanish, English, and (guess which one... of course!) Portuguese.
- I love my job because I am in a position where I interact and help every single employee in my campus as well as students and people in the community. Helping people to do good and succeed is my passion.

**Jaimie Pagels | Pasco-Hernando State College**

- I LOVE to dance! Though my kids say I'm not good at it, I vehemently disagree.
- I'm a transplant from "The Motor" in less Michigan, often, but wouldn't move back due to their great, cold winters. I need sunshine/warmth for my well-being.
- All youngsters I was a bit of a tom-boy. From dawn to dusk, many days, the kids in my neighborhood and I were either playing some sport, climbing trees or riding our bikes. Man, were those good times!
- Though I cannot sing (well), or play an instrument, I would consider myself "musical"! I am pretty good at "burn that Tune" lol! Maybe I was a rock star in a past life!

**Dominique Phillip Alvarez | Pasco-Hernando State College**

- I am a proud Mother of two beautiful girls.
- Currently, I am 8% of the way done with my MBA.
- I love to run (it just feels good)
- I feel like I am highly dedicated in all areas of my life.

Stay Tuned: Region IV will be sponsoring a few of our most dedicated AFC members for the Certified College Professional Program. The nomination form will be out, soon!

## The Region IV and WACE partnership WORKED!

### Regions

#### REGION IV AND WACE

On May 8th and 15th, Region IV and Workforce, Adult and Continuing Education (WACE) Commission teamed up to provide two days of professional and personal development at no cost. These days were spent in our Spring Virtual Conference via Zoom with college employees and AFC members from around the state. Day one's focus was on tools for engagement and student success, while day two focused on self-care and awareness. Both days we had excellent information provided by highly knowledgeable presenters.

On Day Two, Larry Guilford from "Make a Difference" joined us to talk about this Pasco County organization. To help this organization's mission, RIV and WACE conference attendees were asked to make cash donations on their website.

Congratulations to PHSC's Courtney Benito for winning the grand-prize of a 2-night stay hotel stay in Orlando's World Center Marriott.

T-Shirt Sales Pre-orders happening, now. Order yours, today. \$11 (S, M, L and XL) and \$13 (extended sizes) Pre-order forms can be found on our webpage here: <https://www.myafchome.org/regionfourpage>
