We will be selecting the Top 3 to award 1st \$500, 2nd \$300, and 3rd \$200. *Winners will each conduct a 30 minute webinar showcasing their excellence in technology best practice to members not able to attend in January, February, and March during a lunch hour timeslot.*

Thursday 11/12 3PM-4PM Technology Commission – 8 Technology Trends that are Changing Education (Ireland A) Each day technology seems to evolve at a faster rate than the day before. Advances in mobile technologies, faster processors, crowdfunding ideas, and startups striving to make the next billion dollars each play a role in evolving technologies that will impact the way students learn and faculty teach. Are you looking at what is next? Come learn about 8 trends in technology that are impacting education from Professor Josh; EdTech blogger, social media influencer, instructional designer, education & social networking faculty, and Edtech Orlando organizer.

AFC Technology Commission Facebook Group setup for continuous conversation around technology best practices and sharing ideas year around. <https://www.facebook.com/groups/1498588013744712>
