Tallahassee

AFC members at TCC participated in the "Welcome to TCC" campaign where they served in information tents around campus the first few days of classes. They greeted students, supplied them with student handbooks, snacks, water, directions, and just overall good vibes!

At TCC, we transition leadership in July. We welcomed three new members to our Board of Directors. Those new members are:

Equan Burrows, President-elect

Sharon Walker, Secretary and Communications Chair

Tina Galanti, Treasurer

Also, we are making plans to have a training/information about the benefits of being a member of AFC, and how to be active in the chapter. That training is going to be offered through TCC's Center for Professional Enrichment.

We're looking forward to a productive, busy year!
