

5.2 Campus Safety Commission

The AFC Campus Safety Commission is off to a momentous 2019. I am absolutely thrilled to report the following:

- For the first time ever, the Campus Safety Commission Board of Officers has 4 members (Chairman, Chairman Elect, Secretary and Best Practice Chair) who are staff at the 2019 Aspen Institute Top Colleges in the Nation, Indian River State College and Miami Dade College. To add to this momentous award, 3 of the great 28 Florida colleges participating in the Campus Safety Commission (Broward, Indian River and Miami Dade) were in the Top 10 Colleges in the nation.
- In February, East Florida State College hosted a seminar presented by SUNY general counsel Joe Storch on Title IX and Clery Act. Numerous Campus Safety Commission members were present for the training.
- In April, I attended the Grogan Dove Chapter of the FBI Agents Association Retrainer and Range Day at the St. Lucie County Sheriff's Office.
- In June, Chief Ed Book of Santa Fe College has graciously extended an invitation (at an extremely low cost) to all Campus Safety Commission members to attend a one day Threat Assessment Seminar at his College.
- And we are all busily preparing for the upcoming 2019 Campus Safety Symposium at Palm Beach State College in July.

What a great year 2019 is shaping up to be for Campus Safety and the AFC!!

Alan
