

AFC Membership Development Committee Report for Board of Directors

The Membership Development Committee are looking forward to hosting the Membership Development Workshop that will be held July 10, at Palm Beach State College, Palm Beach Gardens Campus. Please see DRAFT attached Agenda for this event.

All five Region conferences throughout the state reported that a membership committee member was in attendance and presented at the meeting. It has been noted and recommended/suggested activities regarding members benefits to be reviewed and highlighted. Positive feedback and region to-region challenges also have been publicly made to hype the membership increased.
