AFC - CCP Committee Progress Report

COMMITTEE NAME: CERTIFIED COLLEGE PROFESSIONAL PROGRAM
Chair: Christine Tripp
Staff Liaison: Lucia Fishburne

1) Participants Update

- 13 new FCPC applicants since the new year
- We anticipate 11+ graduates for 2019
- 59 participants in the program (not all are active)
- Several inactive participants from past years have become active again. Staff is continuing to reach out to all inactive participants and encourage them to become active again.

Recruitment

- “For CCP By CCP” Session scheduled for Wednesday, November 6 from 3:00 pm – 4:00 pm in the Edinburgh 9 meeting room during 70th AFC Annual Meeting & Conference at the Innisbrook Resort.

2) Program Highlights

- **First CCP CORE+ Offering:** A special one-day workshop “5G Power Skills for College Professionals”, a collaboration between AFC and Alph UMi, was offered Sept. 19th (yesterday) at Innisbrook. There were 18 attendees.

This was the first offering of a new series of “CORE+” CCP workshops. CORE+ workshops are intended to present innovative and cutting edge professional development opportunities.

- **New CEU Tracking Capability in MemberClicks** – Members will be able to login, upload and track their CCP credits within their profile on the regular AFC website. Staff is currently testing the feature with the goal of making this new functionality “live” January 2020.
